THE DEPARTMENT OF TRANSPORTATION BUREAU OF MOTOR CARRIER SAFETY: (DOT) has adopted certain regulations for the protection and safety of both the charter customer and Chauffeurs. Chauffeurs are limited to 15 consecutive hours on duty in any one day. Of these 15 hours, a maximum of 10 hours may be actual driving hours. Once the Chauffeur's total or driving hours have been used – the Chauffeur must have a minimum of eight (8) hours off duty before local service or extended period of driving may be performed. Additionally, no coach driver may drive more than 70 hours in any 8 consecutive day period. A second coach driver will be required if your program is scheduled to exceed the driving hours set forth by the DOT. Failure to adhere to the rules set forth by the DOT will cause coach drivers to be declared “out of service.” Coach drivers who have been declared out of service may not operate a commercial motor vehicle until lawfully able to do so under the rules set by the DOT. Aristocat Transportation complies with all DOT regulations. All coach drivers are required to maintain a written log record of hours on duty.

DETAILED ITINERARIES: are necessary and must list all stops with adequate directions or addresses. Chauffeurs are instructed to work with group leaders and in many cases advise travel times, routings, places to eat or places to see, etc. However, rather than depend upon the Chauffeur on the road, discuss your travel plans with our office; we will be happy to assist you in making your travel plans prior to departure. Motor coaches will not be able to pick up at private residences.

CLEANLINESS AND DAMAGE TO VEHICLES: are both the responsibility of you the customer and the Chauffeur. Aristocat Transportation is not responsible for lost or stolen articles. Passengers are responsible for any damage to vehicles including but not limited to negligence. Minimum \$400.00 fee. Smoking is prohibited in any vehicles of Aristocat Transportation. Passengers may bring food and beverages on board (cans or plastic containers only.)

SEATING AND SAFETY: are top priority to both you and Aristocat Transportation. We ask that all passengers remain seated at all times while the vehicle is in motion. The total number of passengers can not exceed the seating capacity of each vehicle. Charter groups must provide adequate supervision for all guests. For your SAFETY, your Chauffeur must devote his full attention to his driving.

LIABILITY: Aristocat Transportation and client shall not be liable for any failure to perform its obligations where such failure is as a result of Acts of Nature (including fire, flood, earthquake, storm, hurricane, snow, ice, tornado or other natural disaster), pandemic, war, invasion, act of foreign enemies, hostilities (whether war is declared or not), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo. Aristocat Transportation will endeavor to maintain the schedule submitted by its client, but is not guaranteed. If in any Act of Nature, as mentioned above, and other conditions beyond our control, make it, in the opinion of the carrier, inadvisable to operate chartered coaches either from points of origin or any point in route, the carrier shall not be liable therefore, or be held for damages for any reason whatsoever. Aristocat Transportation reserves the right to lease equipment from other carriers if necessary to fulfill this charter agreement. Aristocat Transportation, the Chauffeur, and any of its agents or contractors does not guard or assume care, custody or control of your luggage, bags and other personal belongings and their contents and is not responsible for fire, theft, damage, or loss of any such luggage, bags and other personal belongings and their contents. Your luggage, bags and other personal belongings and their contents are your responsibility and you place them on this bus/vehicle entirely at your own risk. Luggage and all other property will be handled only at passengers own risk and only in an amount that can

conveniently be carried in the chartered bus. Any damage to the vehicle, caused by the chartering party, will be charged to the chartering party.
